

Sorghum

- **Grain Sorghum:**
 - Treat seed with KIIK Plus
 - Spray with Aamaiz-32 at the 6-8 blade stage.
- **Silage and Grazing Sorghum:**
 - Treat seed with KIIK Plus
 - Cover spray with Forage Boost at any stage prior to decline. Best results at the 8-10 blade stage.
- **Sweet Sorghum:**
 - Treat seed with KIIK Plus
 - Begin Synergize IV sprays at the 5-6 blade stage and repeat every 10 days until just pre cut.
